

A PLEASING HOME AT ASSET ALPINE OAKS

Asset Alpine Oaks 2D is a beautiful and pleasing apartment. The apartment complex has an appealing design that enhances the aesthetic quality. It features modern architecture, well-maintained surroundings, and attractive landscaping.

The apartment is visually satiating and creates a pleasant atmosphere for its residents. The interior spaces of the apartment are designed with comfort and style in mind, offering a welcoming and enjoyable living environment.

Asset Interiors and customisation teams have worked together to revamp a plain, empty apartment into a beautiful and fascinating home. They added unique accents to create a cheerful atmosphere and the end result was an inviting cozy home.

Living Room

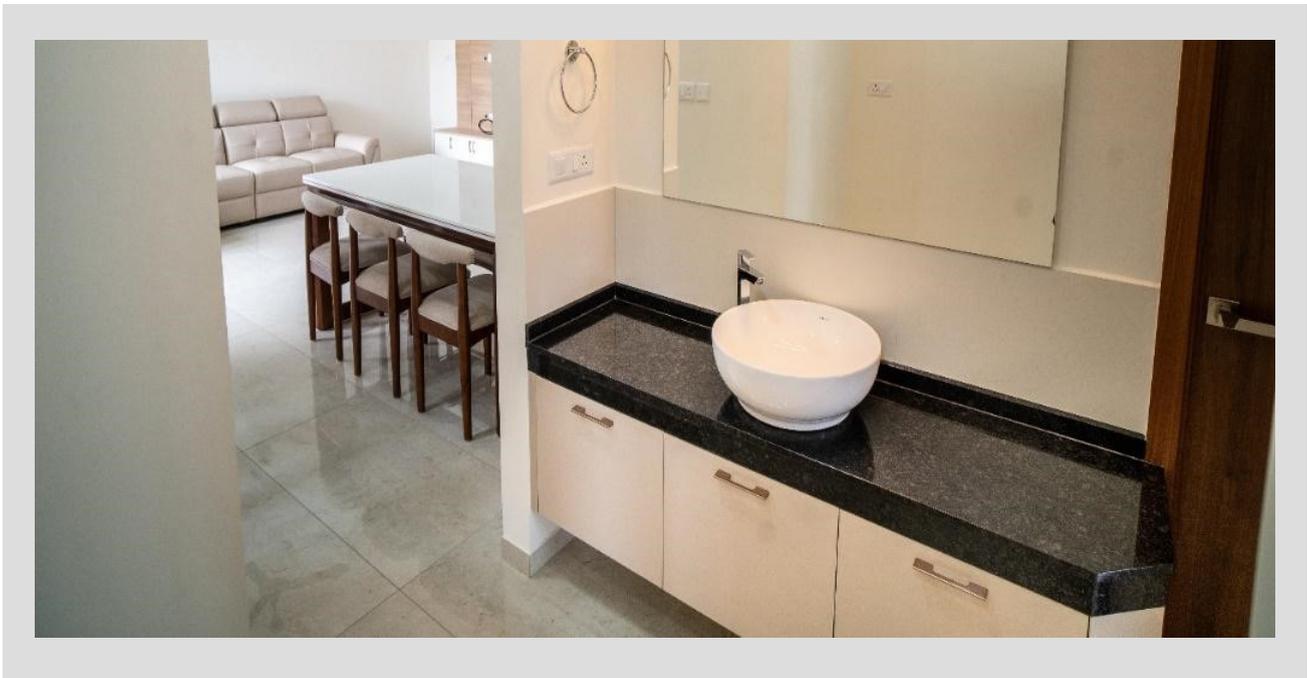

The living room of Asset Alpine Oaks 2D, featuring a beige shade sofa and a wooden and white mix simple TV unit, adds to the overall beauty of the apartment. The combination of these elements create a visually pleasing and harmonious aesthetic sense. The beige shade sofa provides a neutral and versatile backdrop that complements various interior design styles.

The wooden and white mix simple TV unit adds an elegant touch to the living room. The combination of wood and white creates a visually appealing contrast and adds a contemporary and sleek look to the space. This mix of materials can bring a sense of sophistication and balance to the overall design.

Wash Vanity - Dining Area

The wash vanity in the dining area features a beige colour cabinet and a large mirror. This combination adds to the overall aesthetic appeal and functionality of this space. The beige colour cabinet for the wash vanity creates a warm and soothing feel in the dining area. Beige is a versatile colour that can easily blend with various design styles, and it often brings a sense of tranquility and elegance to the space. The cabinet provides storage space for essentials and helps to keep the area organised and tidy.

Bedrooms

The use of wooden colour for wardrobes and bed cots indeed gives a classy look to the bedrooms. Wooden finishes have long been associated with elegance, warmth, and a timeless appeal in interior design. Opting for wooden laminated wardrobes in the bedrooms adds a touch of sophistication and a natural element to the space. The rich and warm tones of the wood creates a cozy and inviting atmosphere.

In addition to the classy look, it is practical to have wardrobes in the bedrooms that offer sufficient storage space and include a long mirror. This creates convenience in the bedroom. The mirror allows for a full-length view, enabling individuals to check their appearance from head to toe. Moreover, a long mirror within the wardrobe creates an illusion of a larger space in the bedroom. The reflection adds depth and visual openness, making the room feel more spacious and airy.

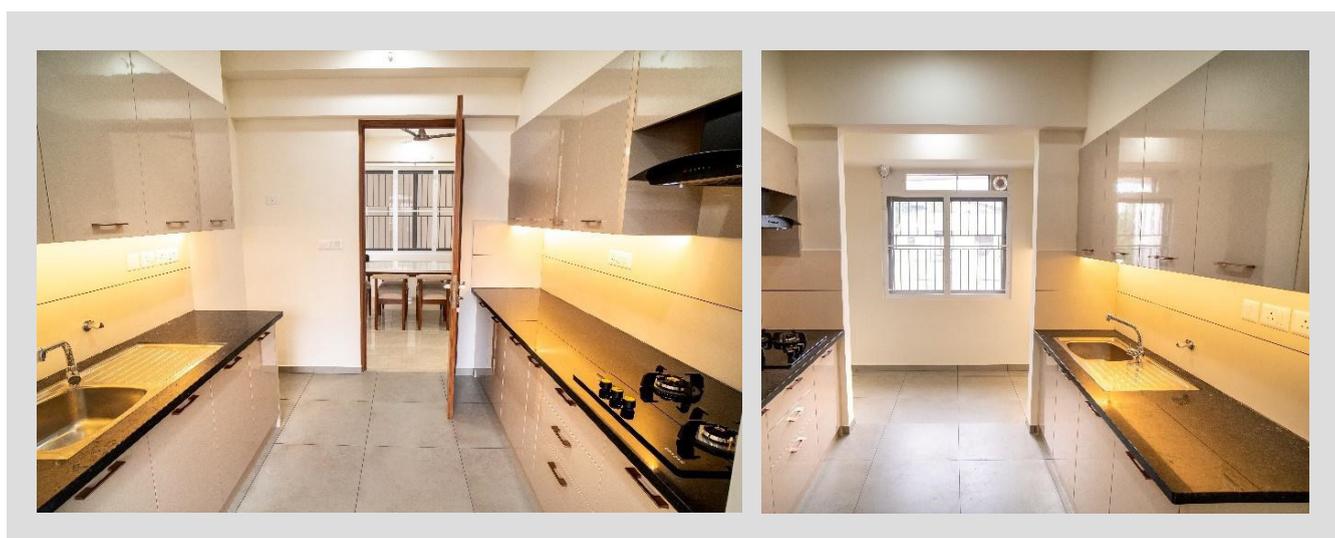

Kitchen

A kitchen with beige colour in both the top and bottom cabinets creates a beautiful look for the apartment. Using beige for the top and bottom cabinets in the kitchen creates a cohesive and harmonious colour scheme. The soft and warm tones of beige add a sense of tranquility and create a welcoming atmosphere in the kitchen. It also provides a neutral backdrop that easily complements various design styles and allows for flexibility in choosing other elements of the kitchen, such as countertops, backsplash, and appliances.

Adding a profile lighting to the overhead unit in the kitchen enhances its overall beauty. Under-cabinet lights can provide both functional and aesthetic benefits to the kitchen space.

By installing a profile light underneath the overhead unit, it creates an ambient and indirect lighting effect. This type of lighting helps to illuminate the countertops and workspace below, making it easier to perform tasks.

CLIENT SPEAKS

**Mr. Chandrasekharan and family,
proud owners of Asset Alpine Oaks 2D, Ernakulam**

We believe that Asset Homes Pvt. Ltd is one of the best builders specialised in home constructions with a very good track record. Now to our experience it is found that not only the builder but their sister concern, the Asset Interiors performance is also excellent. We are extremely happy and satisfied with their job. Our Congratulations to the entire team who undertook our interior work at 2D Alpine Oaks, Ernakulam.

We once again thank you Asset Interiors for your beautiful work. In this connection our special thanks to Smt. Chandini Arun for her excellent customer service and Smt. Sruthy for dedicated and constant contact with us in every stage of the work and persuading us for the timely payments.

Best of luck to the entire team.
