

AN AFFABLE HOME AT ASSET PRECIOUS

Asset Precious 3C is a stunning apartment that boasts beautiful interior works, offering a luxurious and comfortable living experience. The apartment is located in a prime location in Thrissur and is well-connected to the city's major commercial and entertainment hubs, making it an ideal choice for those who value convenience and accessibility.

Asset interiors and customization teams worked together to revamp a plain, empty apartment into a beautiful and fascinating home. They added unique accents to create a cheerful atmosphere and the end result was an inviting, cozy home.

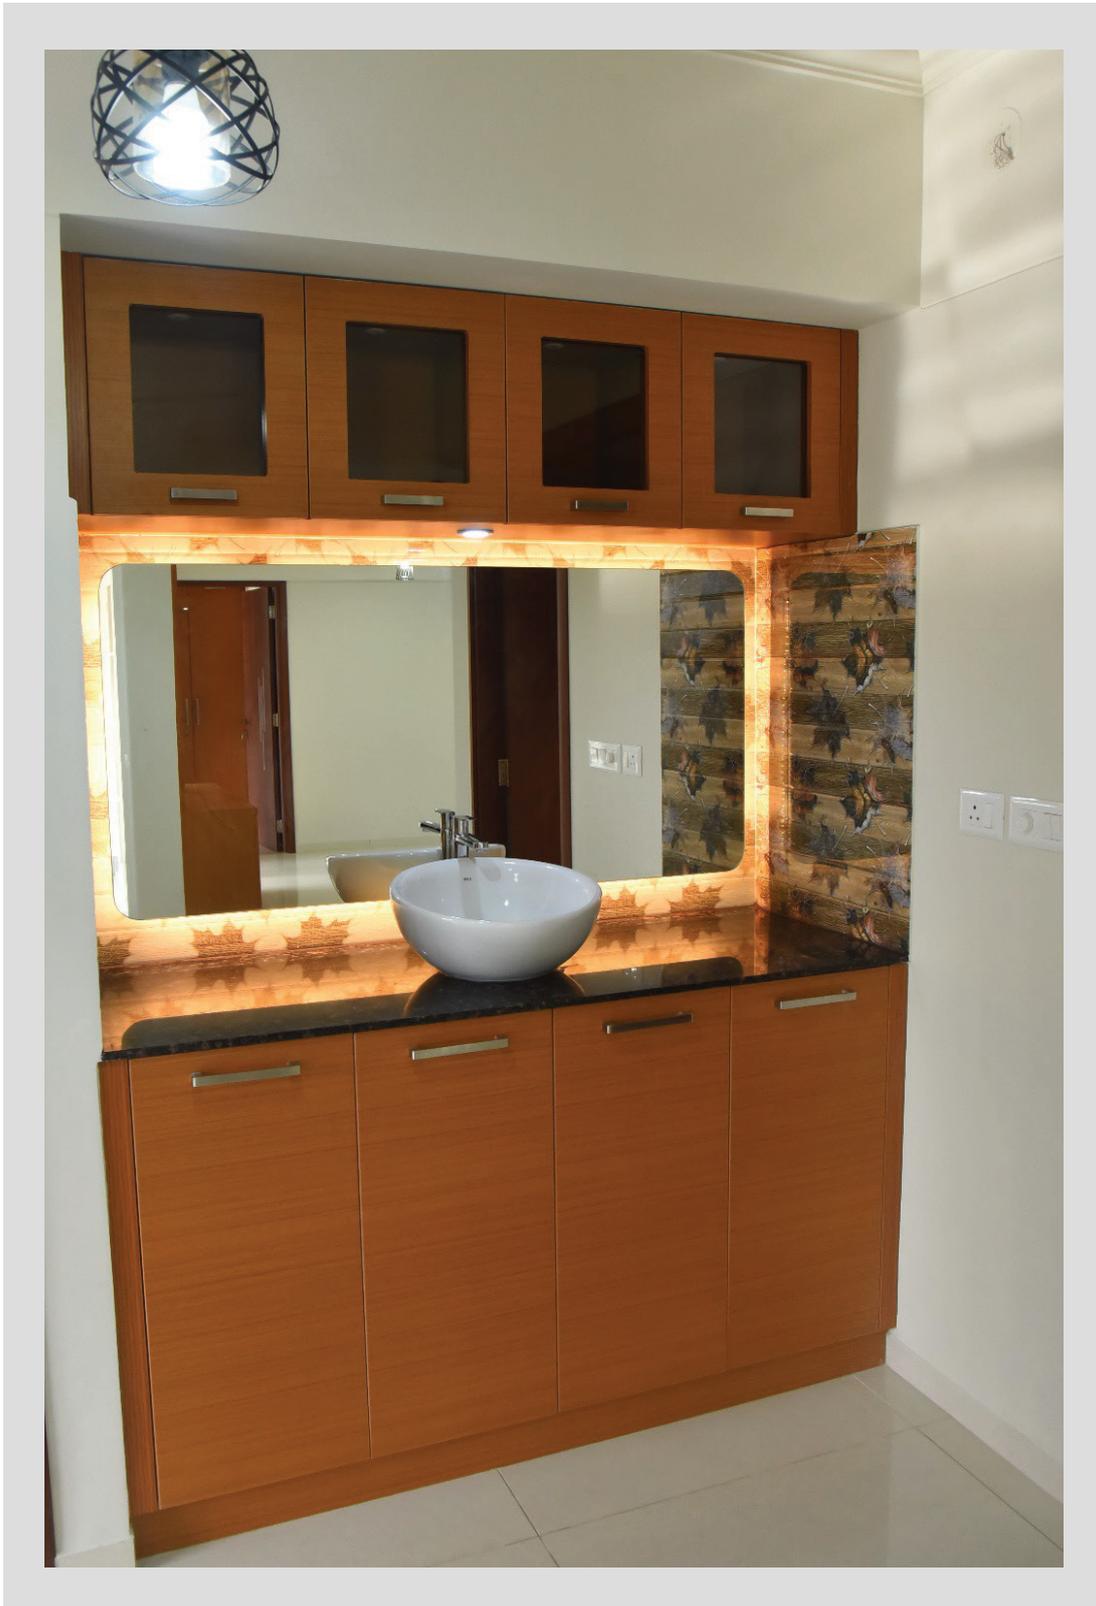

Living Room

The living room is spacious and well-lit, with large balconies and windows that let in ample natural light. A beautiful TV unit with wooden colour can enhance the aesthetics of any living room, providing both style and function. It is a great investment for anyone looking to create a comfortable and stylish entertainment space in their home. White walls and white flooring can create a fresh and inviting atmosphere, giving the space a bright and airy feel.

Wash Vanity – Dining Area

Wooden colour cabinets in a wash vanity with backlit mirror and beautiful wall tiles can create a warm and inviting look. Backlit mirror can add a modern and elegant touch to the vanity area. The wall tile is chosen to complements the overall look and feel of the space.

Bedrooms

Wooden colour wardrobes in a bedroom with white walls behind can create a warm and cozy atmosphere, adding a touch of natural beauty to the space. The combination of white walls and wooden wardrobes can create a fresh, airy, and serene environment that is perfect for relaxation and rest. For Master bedroom, covering of entire wall with wardrobe can be a practical and space-saving solution, providing ample storage of clothing and accessories while also creating a sleek and streamlined look.

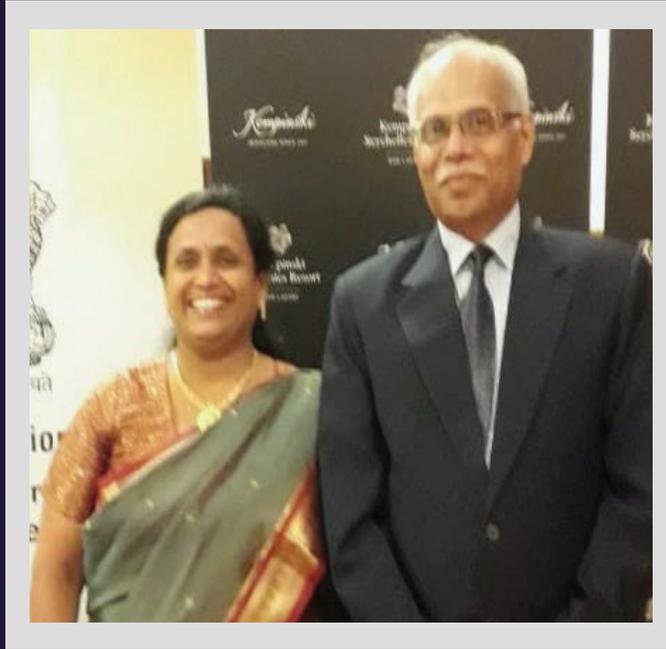

A wardrobe with dressing unit is a type of furniture that combines a wardrobe and a dressing table into a single piece. This type of furniture is designed to provide storage space for clothing and accessories while also offering a convenient space for getting ready in the morning. A four-door shutter wardrobe with an in-between dressing unit typically features four doors that open to reveal hanging space for clothes, as well as shelves and drawers for storing shoes, bags and other accessories. The in between dressing unit consists of a mirror, a surface for placing cosmetics and additional drawers for the storage.

Kitchen

Wooden colour bottom and top cabinets can add warmth and elegance to a kitchen, creating a cozy and inviting atmosphere. In addition to the cabinets, strip lights can be installed underneath the top cabinets to provide task lighting and accentuate the beauty of wood colour. Strip lights are a versatile and energy-efficient lighting option that can be easily installed and controlled. To complement the wooden cabinets, other elements of the kitchen such as the countertop, flooring and backsplash can be selected to create a cohesive and stylish look. Black granite countertop can provide a classic look. Overall, wooden colour cabinets with strip lights can create a warm and welcoming kitchen space that is both functional and aesthetically pleasing.

CLIENT SPEAKS

Mr. P.V.R. Nair and family, Proud owners of Asset Precious 3C, Nellikkunnu.

There are two reasons why we chose the Interior Team of ASSET – firstly, the ASSET Homes Pvt Ltd. gave us an apartment with which we are very happy, and secondly, since we were always on the move and not staying nearby, we wanted to assign the interior work to a trusted and reputed team. Our choice fell on INTERIOR TEAM of ASSET HOMES.

After the few initial personal meetings with the ASSET INTERIOR TEAM, our main communications with them stating our demands were through phone calls and video calls. Of course, there were innumerable changes and modifications some from our side and some good suggestions and expert advice from the team. They had great patience and always listened to us carefully. It is appreciable that each and every demand of ours were implemented and executed meticulously and with great care.

The result was excellent fineness in their understanding, execution and workmanship.

The Team has done a commendable job and that has given us immense satisfaction and we are also sure that anyone who observes their workmanship will be all praise for them.

We wish them All the Very Best and continue to keep up the good work.

Team behind design and execution: Mrs. Seena Rajesh, Mr. Akhil Sivaraman,
Mr. Sandeep, Mrs. Shameena, Mrs. Sruthy Suresh & Mr. Amal Joseph
