

AN ENTICING HOME AT ASSET PRECIOUS

Asset precious 1D is indeed an attractive apartment with beautiful interior works. The apartment is designed to provide a visually appealing and comfortable living space for its residents. The interior works of Asset Precious 1D are carefully crafted to create a pleasant ambiance and enhance the overall aesthetic appeal of the apartment. The apartment is located in a prime location in Thrissur and is well connected to the city's major commercial and entertainment hubs, making it an ideal choice for those who value convenience and accessibility.

Asset interiors and customization teams worked together to revamp a plain, empty apartment into a beautiful and fascinating home. They added unique accents to create a cheerful atmosphere and the end result was an inviting, cozy home.

Living Room

The living room designed for this apartment is absolutely stunning. The combination of a yellow highlighted wall, a dark wooden designer partition, a beautiful console unit, minimalistic TV unit and an enticing false ceiling creates a visually appealing and stylish space. The yellow wall adds a vibrant and energetic touch to the

living room. The dark wooden partition serves as both a functional and decorative element in the living room. The dark wood provides a rich and luxurious look. A well-designed console unit serves as a focal point in living room. It offers both storage and display space for decorative items, books etc. A visually appealing false ceiling transforms the look and feel of the living room. The false ceiling creates a sense of drama and elegance, making the living room more visually captivating.

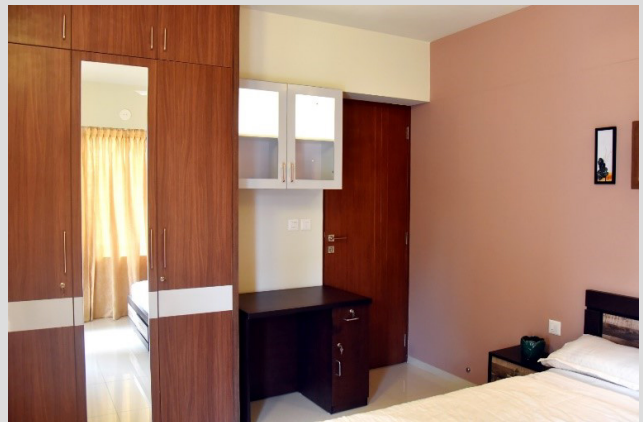

Wash Vanity – Dining area

The combination of a big mirror, yellow cladding tiles and a beautiful charcoal panel create a stunning aesthetic ambience. The contrasting colours and materials enhances the overall beauty of the space. The yellow cladding tiles brings a vibrant and energetic feel to the space, creating a cheerful and inviting atmosphere. The charcoal panel positioned near the wash vanity, adds a touch of elegance and sophistication. Wooden kind of false ceiling also creates more luxurious look to the dining area. Combining these elements together, you create a visually pleasing and harmonious dining area.

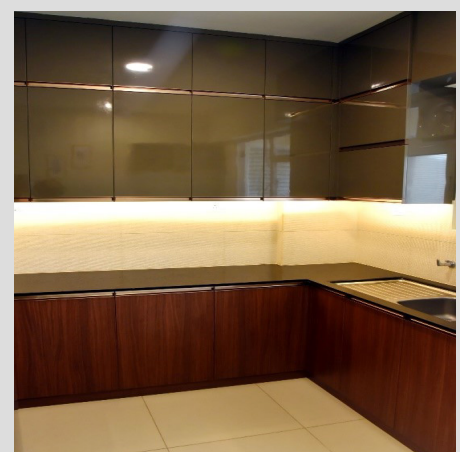

Bedrooms – Wardrobes

Bedrooms with different colour shades add an extra layer of beauty and visual interest to the space. Using a combination of colours create a dynamic and personalized atmosphere that reflect your style and preference. The functionality of the bedroom is crucial and having a well-designed wardrobe with ample storage space is essential. The wardrobe is designed with efficient storage space to keep the belongings and maintain a clutter-free environment.

Kitchen

A kitchen with wooden bottom storage and autumn leaf colour top cabinets creates a beautiful and inviting space. To complement the wooden cabinets, other elements of the kitchen such as the countertop, flooring and backsplash are well-selected to create a cohesive and stylish look. Black granite countertop provides a classic look. Kitchen is designed as per preferences and functional needs of the residents. Overall, wooden colour cabinets with strip lights creates a warm and welcoming kitchen space that is both functional and aesthetically pleasing.
