

# Inside a Divine Home at Asset Chandelier

This 3-BHK spacious apartment at Asset Chandelier is a home for 3. A couple and their son. Asset Interiors/Customization team's theme while designing the spaces of the house is traditional with spiritual inscriptions placed at key areas.

It is very important for a home to embody positivity and this home sure radiates that peaceful, divine and positive energy.

## Living Room

The living room's key piece is the beautifully designed pooja cupboard with beautiful motifs and intricate CnC work on the pull out doors. Delicate traditional bells are installed as a detailing feature. The wall between the two bedrooms also has a backlight design CnC wall with the inscription ohm giving the space a divine aura.

## Dining area and Kitchen

The living room opens up to the spacious dining area. On one corner of the dining room a sideboard is installed in addition to a wall-mounted cupboard. The sideboard's bottom shelf lit with soft light.

## Bedrooms

This sprawling 3-BHK's all bedrooms are uniquely designed with different themes, the master bedroom has a study table cum storage space facing the window with natural light across one complete wall of the room.

The second bedroom has full length wardrobe along with a small study table installed at one end.

Guest room is designed in pleasing pastel shades. Several other accent pieces adorn the bedrooms like a specially designed mirror etc.

## THE CLIENT SPEAKS

Asset Interior team were great. They really took the time to understand my requirements and helped me express myself in my home. The team's attention to detail was phenomenal. They did an amazing job blending my expectations with their technical expertise and competency. Thambi P Bose and his team were very professional yet equally personable. I would definitely recommend them.
