

Inside a Vibrant Home at Asset Chiraag

This particular apartment at Asset Chiraag is designed in such a manner that it exudes positive energy the moment you walk in.

Asset Interiors /customisation has designed the house with utmost care and precision to provide the owners', a family of four a home of their dreams in a way they envisioned it.

Foyer, Family Living Room And Dining

The entrance foyer has been designed with a backlit partition and upward pointing pipe lights creating an ambient light setting at the very entrance. The family living room has a custom designed TV unit on one wall, with niches and spotlights to highlight personal memorabilia. Designs using vertical lines has been used in the space giving it an elongated effect.

Formal Living Room

The formal living room is separated from the dining room with a custom-made partition. This partition is specifically designed for the home keeping in mind the vertical design element. Keeping the design similar has given the house a free-flowing characteristic and helped in creating a soothing space.

The wall has been painted a bright yellow bringing a cheerfulness to the space.

Bedrooms

The master bedroom of the house is designed using the main theme, the headboard wall is kept a bright yellow and an additional TV unit has been provided in the master bedroom.

The daughter's room is done up in a subtle grey and white theme with a Korean top corner study table and a wall mounted dressing unit.

CLIENT TESTIMONIAL

Mr. Jayaprakash and Family,
Proud owners of Asset Chiraag 7B

To make a house – a living nest, adding colours, bringing positive vibes and making it dimensionally compatible is a humongous task.

The mission of bringing our conceptual designs to reality ended the day we met the Asset Interior Team, headed by Mr. Thambi P Bose for the first time. When our vision was executed by Mr. Thambi, the end result was a perfect dwelling space.

The Asset Interior Team met our expectations with their professionalism, well-defined work and prompt delivery. It was a pleasure, associating with Asset Interior Team.

The team behind Design & Execution: Mr. Thambi P Bose, Mr. Sandeep, Ms.Sukanya and Ms.Amallya.
